

# Where little Learners Take Flight!

Imagine your child's eyes lighting up with enthusiasm, ready for another day of exploration and learning.

## **ALPHA STARSEEDS** *(PREK3 & PREK4)*

We know that learning begins at an early age. Every child has the potential to become a self-driven learner, ensuring a balance between structured learning, play, and rest.

Our aim is to create a dynamic and engaging environment where children can thrive, learn, and embrace the joy of discovery.

- Exploration + Discovery
- Reading + Phonics
- Foreign Language
- Aquatic Competence
- Purposeful Movement
- Music + Art
- Early Tech + App Learning

## **GROW & THRIVE**

### **Literacy and Numeracy Foundations:**

Our commitment is to foster a love for reading and mathematical thinking in your child, providing them with a solid introduction to these essential skills that will support their academic growth and future success.

### **Dual Language Introductions:**

We are committed to introducing your child to the beauty and diversity of multiple languages, igniting their curiosity and appreciation for different cultures and laying the groundwork for future language exploration and communication.

### **Enrichment Focus STEAM Exploration**

Engaging hands-on activities that introduce young learners to the wonders of Science, Technology, Engineering, Arts and Mathematics

## **NURTURE ESSENTIAL SKILLS**

### **Aquatic Competency & Motor Skill Development:**

At Alpha, we promise to equip your child with the fundamental skills and knowledge needed to feel confident and safe in aquatic environments, laying the foundation for a lifetime of water exploration and enjoyment.

### **Social-Emotional Development**

We place a strong emphasis on social-emotional development, recognizing its vital role in a child's overall growth and well-being. As part of this touchstone, we have designed sticker chart milestones to track and celebrate non-academic achievements.

## **ENRICHMENT SUBJECTS & THEMES**

### **Building Blocks:**

Providing a variety of building materials like blocks or magnetic tiles, fostering spatial awareness and problem-solving skills.

### **Music and Movement:**

Fun-filled sessions that promote rhythm, coordination, and an appreciation for music.

### **Sensory Science:**

Engaging children in sensory-based experiments, such as exploring different textures, colors, and smells to stimulate their senses and curiosity.

### **Simple Coding Concepts:**

Introduce basic coding concepts through age-appropriate games and activities, like sequencing or pattern recognition to foster logical thinking and computational skills.

## CORE SKILLS DEVELOPMENT & ART

### Arts and Crafts:

Creative projects that encourage self-expression and development of fine motor skills.

### Storytelling and Literacy:

Interactive storytelling sessions to nurture a love for stories and language development.

### Intro to Early Literacy and International Languages:

Activities that promote early reading skills, phonics, and vocabulary development.

### Numeracy Foundations:

Exploratory activities to develop basic math skills, number recognition, and problem-solving abilities.

## OUTDOOR AND PHYSICAL EDUCATION

### Gross Motor Activities

Engaging in physical games, obstacle courses, and exercises to develop motor skills and coordination.

### Sports and Movement:

Intro to basic sports skills, such as throwing, catching, kicking, stretching, and teamwork to promote physical fitness.

### Dance and Movement:

Immerse in the world of dance and experience a multitude of styles expressing creativity through movement. Develop spatial awareness, coordination, as well as gross and fine motor skills.

### Nature & Outdoors:

In the Alpha yard and off-site trips, Guides will be facilitating outdoor time and activities to foster a connection with the natural world.

## THREE GUIDING TOUCHSTONES:

### LOVE LEARNING

Our Starseeds will develop a deep love for learning and exploration. We create a nurturing and stimulating environment that fosters curiosity, creativity, and joy in discovering new things.

### GROW AND THRIVE

Our Starseeds will make remarkable progress in their early development. With our tailored curriculum and personalized guidance, they will develop essential cognitive, social, and emotional skills.

### NURTURE ESSENTIAL SKILLS

Our Starseeds will build essential skills like communication, problem-solving, creativity, and cooperation through interactive play and guided experiences—empowering them to navigate the world with confidence and independence.
